## Camper Trailer Sites at the Walkabout Lodge

The Walkabout Lodge has available 12 powered camping sites located within the secure grounds of the Lodge for use during the dry season (May – October), subject to road access.

The sites are suitable for camper trailers and tents, (no caravans) and have power (15 amp outlets), town water and a new ablution block with hot showers, sewerated toilets and a wash up area. The Lodge also has a swimming pool, coin operated laundry for house guests, two bars and a restaurant which operates seven days a week.

It is assumed that guests will be travellers looking for a base to explore East Arnhem Land and NO long term or permanent sites are available (requests for 14 days or more are to be referred to Management), this is a condition of the town lease.

Camp sites have sufficient room for a camper and annex and a space to park the guests vehicle. Additional vehicles are required to park in the Lodges carpark.

Pre-booking of sites is highly recommended due to demand in the dry season and the normal 48 hour cancellation policy will apply unless the cancellation reason is due to road closure.
